

Lafayette PTA Enrichment Program

Winter 2019 Registration Form

- Winter Session begins **Monday, January 7th** and ends **Friday, March 22nd**, unless otherwise noted. Session is approximately 10 weeks long. A few classes will go for nine weeks due to holidays, etc. Cost for those classes remains at rate noted.
- **Registrations are due by Monday, December 24th.**
- Classes with a stated maximum limit will be determined by lottery. Late registrations will be considered by PTA Enrichment coordinator.
- **Two ways to register:** On line (processed in real time) OR paper enrollment (processed at same time as on line). If enrolling by paper, please fill out and hand in last two pages of this document to the PTA Command Center's Drop Slot. Parents will receive an email confirmation prior to the start of the session.
- **Full and Partial Scholarships** are available to families who request them, no questions asked, for one class per child per session with maximum total scholarship of \$200. Please note that scholarships are funded through the proceeds of the PTA Enrichment Program itself, i.e. from all our families. Our goal is to be all-inclusive but also self-sustaining. Please carefully consider the needs of your family when deciding whether to request a scholarship. Scholarship requests will be kept confidential. If the demand for scholarships is too great, the PTA may need to limit the number of scholarships awarded.

Email Enrichment Coordinator Kathy Johnson, at lafayette.enrichment@gmail.com with any questions.

Winter Session begins **Monday, January 7th**
Winter Session ends **Friday, March 22nd**

No Classes on the following days:

Monday, January 21st (No School-MLK Jr. Day)
Week of February 18th-22nd (No School-Mid-Winter Break)

Mondays

Comic Art & Mural Design

K-5th

Monday 2:30-3:30 PM

If your children love to draw and tell stories, then Comic Art & Mural Design is the class for them! Each Monday afternoon, students will further their skills in comic illustration, character building and story boarding, while at the same time designing and painting a mural to be hung at Lafayette Elementary. Students will be given guided instruction and the freedom of creative expression in this fun and engaging class taught by artist Andrew Miller. Sign up today and watch their creative minds expand!

Andy Miller, Artist

Art Room 6

Min. 5 students/Max. 30 students
\$145/session

Dodgeball

3rd-5th

Monday 2:30-3:30 PM

Dodgeball refers to a collection of [team sports](#) in which players on two teams try to throw balls at each other while avoiding being hit themselves.

There are many variations of the game, but generally the main objective of each team is to eliminate all members of the opposing team by hitting them with thrown balls, catching a ball thrown by a member of the opposing team, or forcing them to move outside the court boundaries when a ball is thrown at them.

Gio Perez, Lafayette IA

Gymnasium

Min. 5 students/Max. 20 students
\$125/session

Vine & Stem: Star Wars

2nd-5th

Thursday 2:30-3:45 PM

Star Wars inspired STEAM

Vine & Stem created a STEAM class that brings science into the Star Wars universe. Students will get to make crafts like their own LED light sabers (finger size), Star Wars terrariums, paper airplanes, and Jaba the hut slime (all to take home). Science experiments will also be a key part to the course with things like building escape pods and testing them in our wind tunnel, experimenting with Star Wars sound effects and green screen concepts, using "the force" to move water (static electricity) and more. Each class a recap of the experiments and photos will be sent home via email, so you won't have to pull a Jedi mind trick to find out what they did that day.

Alden Alvarado

Room 23

Min. 6 students/Max. 25 students
\$180/session

Tuesdays

Fashion Club

1st-5th

Tuesday 2:30-4:00 PM

Under the guidance of instructor/designer, Miss Reese, designers will get the opportunity to create a one-of-a-kind runway look inspired by a musical genre of their choice!!! This course culminates in a runway show directly following our final club session. In addition, designers will be given a fashion sketchbook to collect inspiration, concept sketches and notes.

Miss Reese

Room 8

Min. 7 students/Max. 18 students

\$260/session

Game Development

3rd-5th

Tuesday 2:30-3:30 PM

This course introduces kids to computer programming through the fun and excitement of building video games. Working in Scratch, a drag-and-drop programming tool, students will create everything from animations to multi-level games. Beginner Students will learn the core concepts of programming a game, such as loops, conditionals, and variables. Intermediate Students will level-up to more complex concepts, like nested conditionals and functions with parameters. Projects are updated each session, so returning students will have new challenges to work through and advance their creativity and knowledge to the next level.

Coding with Kids

Technology Room

Min. 8 students/Max. 16 students

\$230/session

Jump Rope for Fun and Fitness

1st-5th

Tuesday 2:30-3:30 PM

Ropeworks is the creation of athlete, entertainer, motivational speaker and educator, Rene Bibaud. Rene has; won 5 World Jump Rope Championships, toured professionally as jump rope performer and coach for the renowned Cirque Du Soleil and started her own company with a special focus on youth motivation and fitness. "Jump Rope for Fun and Fitness" offers students an opportunity to learn a variety of jump rope styles including double Dutch, single rope skills, partner jumping and choreography in a developmentally appropriate pace for students of all skill levels and experience. This highly acclaimed program has been offered for over 20 years in the greater Seattle area, and garners high praise by both parents and our participants. Students may choose to enroll for just a season or enroll throughout the year. Our program offers variations on skill development and varied themes each season.

Rene Bibaud, Ropeworks

Gymnasium

Min. 15 students/Max. 30 students

\$160/session

Wednesdays

Little Coders

K-2nd

Wednesday 1:15-2:15 PM

Get them started early! The Little Coders class provides young students with the basics of computational thinking skills, such as loops and conditionals, through a fun blend of hands-on activities. The curriculum is built specifically for this age group, with a mix of activities from coding puzzles and board games to easy-to-use, drag-and-drop programming tools. Projects are updated each session, so returning students will have new challenges to work through and advance their knowledge.

Coding with Kids

Technology Room

Min. 8 students/Max. 16 students

\$230/session

Sing Out Seattle

1st-5th

Tuesday 1:15-3:15 PM

Mary Poppins: Based on the Disney film and Broadway musical. It's the story of a magical nanny, Mary Poppins who inspires her two young charges, Jane and Michael Banks, with the help of Burt the Chimneysweep and a cast of unforgettable characters! Songs include: "A Spoonful of Sugar", "Jolly Holiday", "I Love to Laugh", "Feed the Birds", "Chim Chim Cher-ee", and Supercalifragilisticexpialidocious! Space is limited so sign up today!

David, Sing Out Seattle

Portables

Min. 24 students/Max. 30 students

\$230/session

Super Science

K-5th

Wednesday 1:15-2:30 PM

Science experiments, crafts, and films. We will learn about and then create: lava lamps, volcanoes, foam slime, electric butterflies, catapults, glow in the dark flowers, heart beats, finger prints, boats, and an egg drop. Small snack will be provided at the start of class.

Sarah Whitehead

Room 8

Min. 5 students/Max. 25 Students

\$230/session

Decorate Your Space

K-5th

Wednesday 1:15-2:15 PM

Join Trendy Crafts each week and create a unique craft to decorate your space. Customize your project to fit your taste and personality with all the latest supplies and techniques. Craft projects this Winter include TBD!

Lorrie Campbell

Art Room

Min. 8 students/Max. 24 students

\$185/Session

Thursdays

Chess Club

1st-5th

Thursday 2:30-3:30 PM

Join Lafayette Elementary Chess Club and learn tactics and strategies of chess! Chess Mates has been offering after-school chess programs in Seattle area public schools for more than 20 years. Chess helps children built critical thinking skills and helps learning to focus and plan. Each class includes a lesson, chess puzzles and game-playing time. Chess Mates will provide student workbooks, chess sets and boards and other materials. All you need to be is eager to play and learn! Both beginner and intermediate players are welcome!

Evan Matthews, Chess Coach

Library

Min. 8 students/Max. 16 students

\$125/session

School of Rock

K-2nd

Thursday 2:30-3:30 PM

School of Rock builds an exciting learning experience by employing strong teamwork and cooperative learning. We will explore fun games and activities that teach basic musical skills such as rhythm and pitch recognition. Much research and evidence has been documented citing the benefits of music education during a child's early years to help them better develop skill sets in areas such as literacy, motor skills, and coordination. We will also get to study and try out many different instruments. Finally, all our activities are rooted in classic rock and popular music that is enjoyable for both children and their parents.

Ben Haber

Portable 27

Max. 12 students

\$140/session

Vine & Stem: Garden

K-5th

Thursday 2:30-3:30 PM

Does your child want to spend more time in the garden? Come join Ms. Alden in the garden room to explore the garden, plants, and concepts like seeds and germination, flower dissection, how plants grow with light, and more. The class will also get to create various projects to take home like planters, bird houses, naturally dyed fabric, fragranced pillow spray and more. Students will also occasionally work on various school planting projects outside. Students will get a small snack each class and a recap of the activities and photos will be sent home via email.

Alden Alvarado

Room 23

Min. 6 students/Max. 25 students

\$165/session

Fridays

After School Sports

2nd-5th

Friday 2:30-3:45 PM

Your student will have fun and learn good sportsmanship while participating in a variety of classic sports like kickball, dodgeball, basketball, football, baseball and soccer. Games will be played indoors when the weather is bad and outdoors when the weather is good. Drop off and pickup will take place in the school gym.

Mark Johnson

Gymnasium

Min. 10 students/Max. 25 students

\$175/session

Vine & Stem: Harry Potter

2nd-5th

Friday 2:30-3:45 PM

Harry Potter inspired STEAM

Vine & Stem created a STEAM program that brings science into a magical world inspired by Harry Potter. Students will get to make crafts like their own wands, troll slime, Patronus keychains (all to take home) as well as enjoy things like Butter beer and chocolate frogs. Science experiments will also be a key part to the course with things like Snape's bubbling potions and brews, Professor Flitwick's static electricity levitating orbs, Ms. Sprout's pH testing flowers and more. We will also learn about the animals in the Harry Potter universe like owls, spiders and snakes. Each class a recap of the experiments and photos will be sent home via email, so you can easily spark conversation with your child about what they did that day.

<input type="checkbox"/> Enclosed is my payment of \$_____. Checks made out to Lafayette PTA. Subtract from total the amount for class for which you are applying for scholarship, if any. Please submit separate forms for each student. Fees may be combined on one check. I am applying for a FULL / PARTIAL scholarship for: <input type="checkbox"/> _____ For a partial scholarship, enclosed is: \$_____ <input type="checkbox"/> I am willing to help volunteer with the Enrichment Programs. Volunteers will be contacted on how to help.
--

Rules of Participation

- For all afternoon classes, children will be accounted for in the class by taking attendance. Students must be picked up promptly when class ends. If there is a problem with pickup, please be in contact with the teacher by phone or arrange to have another parent to pick up your child. Parents that are chronically late may be unable to continue participating in the current session and may be unable to register for classes in the future.
- If your child will miss class, please let the instructor know in advance by email, phone or text.
- Students are expected to be respectful and act appropriately during Enrichment Programs. Failure to do so may result in inability for student to continue in the Enrichment Program. Instructors will determine if a student should continue if behavior is disruptive or inhibits others' experience.
- Classes with maximum class sizes will be selected by lottery. The exception to this will be the teacher's or parent coordinator's own children. All efforts will be made to create space for all children.
- A Class may be completely cancelled if the minimum number of students is not reached.
- Classes/Clubs are chosen for the needs of community. New classes and clubs are always sought and can apply to the Enrichment Program for review.
- Cancellation Policy: If you cancel registration 48 hours before the session begins, you may receive a full refund. If you cancel within the 48 hours, or during the session, we won't guarantee a refund.
- Any questions? Contact Kathy Johnson at Lafayette.enrichment@gmail.com
