VOTING SUMMARY

1. Meeting minutes read by Monica (10/17/18) are APPROVED: (✓ Yes)

Amber: June 20th a big celebration for 100 year celebration.

Jennifer Barringer: Pam Phillips wanted to ask for instructional assistants during enrichment classes.

Ms. Chaput: When they register for enrichment classes, they click on the drop down menu that says "extra support needed" and we will provide an instructional assistant for those students. We will use the instructional assistants that are already working at our school and we will pay them for an extra half hour.

Jennifer Barringer: There's a solid 7 committee member. First order of business is survey development. Family engagement was with about 3 families. There's a spot on the PTA website about the Diversity and Equity group. She's attended a few trainings. She joined the budget committee. Joined a community equity group in West Seattle. Sent out a Black Lives Matter information sheet. Co-sponsored a seminar at Gatewood. A coloring competition which was successful. She's been sending letters to transportation about the missed bus pickup. The Herring Center has offered to come do an hour long event about talking about differences between kids. It will be May 15th for an evening event. We will provide childcare. Thinks we should book "Talking With Children and Youth about Race" to come talk to kids during an assembly next year.

Trying to develop an annual plan. Try to collaborate more with the other chairs. Plan to be at the beginning of the year events. She wrote a budget for this

Topic of a sister school will be tabled for another meeting. She'd like to pick Sanislo. They could be invited to our events.
